Monthly dues will be \$20 per member, due at the monthly meeting. Effective February 2016, SBCL will meet bi-monthly. December SBCL holds the annual Christmas celebration. MEMBERSHIP TENURE: **(a)** Tenure as a member of the Sassy But Classy Bowling club will be established on the first (1st) anniversary during the month the member joined the club (ex., if you joined in July, your first (1st) anniversary would be effective July 1 of the following year). Upon establishing tenure, a member will be eligible to receive perks (items the club pays for). A member will not receive any perks until TENURE is established. **(14)** Reinstated members will be required to reestablish tenure as if a new member. **(25)**

(b) Dues will be waived for a tenured member, in good standing, who has reached the age of 80. The member will be eligible to participate in tournaments and other Club events; however, the member will be required to pay for these activities the same as regular members. A member who is eligible to have dues waived will be entitled to Club "Perks," if they have tenure of at least five (5) years. **(18) (32)**

LIFETIME MEMBER (33)

Members who have reached the age of 80 and no longer bowl will not be required to purchase a sanction card each year. Dues will be waived for a tenured member, in good standing, who has reached the age of 80. The member will be eligible to participate in tournaments and other Club events; however, the member will be required to pay for these activities the same as regular tenured members. **Lifetime members participating in tournaments will not be entitled to Team Reimbursements. (43)**, A member who is eligible to have dues waived will be entitled to Club "Perks", if they have tenure of at least five (5) years.

UNIFORM PURCHASES - SBCL Bowling Club has five (5) uniform shirts (apple green, lavender, purple, black and apple green/lavender combo), strictly for SBCL tournaments. The tournament shirts cannot be worn during league bowling, or any other tournament. **(20)** Each member joining the Club is required to purchase a minimum of two (2) shirts within 60 days of becoming a member. The shirt purchase will be for uniforms that will be used for any upcoming tournaments **prior** to the next open registration, at which time the remaining shirts must be purchased. **(6)** All five (5) shirts must be purchased within six (6) months of becoming a member. **(23)** Members will be subject to the fines as described in the by-laws under Team Attire if shirts are not purchased timely. **(12/20)**. A member who has not purchased all five (5) shirts within the allotted six (6) month period will be fined \$25.00. Additionally, the member will not be allowed to participate in tournaments and will be considered “not in good standing”. Should the situation continue, the case will be reviewed by the Executive Board and may be determined as cause for termination. This amendment is effective immediately. **(27)**

Effective as of March 18, 2025, the penalty for non-purchase of the required tournament shirts is clarified as follows:

Failure to make the necessary purchase will cause the Executive Board to issue a termination notice in accordance with our Mission as stated elsewhere within the Bylaws. Member(s) must purchase required tournament shirt(s) by the next shirt order, or their membership will be in jeopardy. (40)

If a member misses a meeting, at the next meeting attended, the member is expected to pay any past and current dues. If a member attends a meeting and does not pay by the time the meeting has adjourned, a \$5 penalty fee will be assessed. The \$5 penalty fee must be paid no later than the next scheduled club meeting. The member has until the end of the month to pay the monthly dues to qualify for any upcoming tournament team reimbursement.

INACTIVE STATUS : (a) Inactive Status allows a member to suspend paying dues for a period of **up to one (1) year**, due to health issues and providing they are in good financial standing. After one year, the member will be returned to active status unless there is a request from the member to extend the time (**except if a member is incapacitated and cannot provide notification**) **(34)**. The request must be submitted in writing to the Executive Board for review and approval. **After one (1) year, the member will become active or resign, unless an extension is granted by the Executive Board. Should a member return to regular activities (including league bowling) without notification to the Board, and failure to pay monthly dues, member will be terminated after notification from the Board. (35)** An Inactive member may be reinstated without waiting until Open Registration and does not have to pay the registration fees. An Inactive member will continue to receive all SBCL communications. The member must pay to attend SBCL sponsored events. **(2)**

(b) Should a member's financial obligations to the club exist more than three months without good cause, then the Board will suspend the member for a period of one year from date of infraction. A member will become "inactive" when they have missed three consecutive months without paying. Notification will be sent via Certified Mail within 30 days of decision from the Executive Board. An inactive member will be allowed to reactivate their membership during open registration, one year from the date of becoming inactive. There will be no arrears by any club member.

Open registration for membership will be open January and July and will end January 31st and July 31st, respectively.

To ensure SBCL remains at a manageable capacity, SBCL's enrollment will be limited to approximately 120 members with the exception of former member reinstatement(s). A former member requesting reinstatement must meet all eligibility requirements (e.g., left in good financial status, voluntarily withdrew, etc.) and **must be approved with a majority vote by the Executive Board (29)**

We Care Fund is created to acknowledge members dealing with personal family issues. From the regular \$20 monthly membership fee paid, \$2 will be deducted and set aside for this purpose. The rules for the We Care Fund (**attached**) is amended to increase the amount for a deceased active member to \$150.00 (to family) or cost of floral arrangement, depending upon request of family. (5)

TERMINATIONS, SUSPENSIONS, AND DISMISSALS - A member may voluntarily terminate her membership from SBCL at anytime and will forfeit any money already paid into the club. The voluntary termination of membership must be in writing and received by the SBCL Executive Board prior to termination and/or release of membership. All financial obligations by the member *must* be satisfied before the membership is officially terminated. A member that voluntarily terminates membership may reapply for membership after six months by submitting a letter requesting reinstatement to the SBCL Executive Board.

Re-registration will be deemed necessary to reactivate membership. This fee will be \$30 (\$10 registration and \$20 current monthly dues). Membership can only be reactivated during open registration.

A member who is not in good standing with SBCL as determined by the SBCL Executive Board and/or USBC will be dismissed. Any conduct unbecoming of a SBCL member including, but not limited to, fighting, destruction of property, and/or use of vulgar language during meetings, tournament activities, or club affairs are grounds for dismissal. Notification of intent to dismiss a member will be sent Certified Mail within 30 days of decision from the Executive Board.

A member may appeal in writing to the Executive Board within 10 days of receiving letter of dismissal. Any member dismissed from SBCL may reapply for membership after one year from the date of dismissal during open registration.

TOURNAMENTS: The Tournament Coordinator shall promote, coordinate, and officiate all SBCL bowling events. Tournament Coordinator will set up SBCL teams for internal and external competition with SBCL members prior to using any non-members. The Tournament Coordinator shall approve reimbursement applications for individual team tournament play only. (Each member of SBCL will be issued reimbursement up to \$50 per tournament.)

- A member must be in good standing with SBCL and USBC to qualify for sponsorship in any tournament with no financial obligation due to the club. A team requesting sponsorship must be composed of all SBCL members unless the Executive Board has granted special exceptions.
- Any bowler outside of SBCL approved to bowl is responsible for all fees associated with bowling activities.
- All bowlers must pay for their participation in tournaments in advance and may be reimbursed (subject to available funds) by the club after competition has concluded.

Tournament entry fees for the treasurer, tournament coordinator and assistant tournament coordinator will be paid by SBCL for up to four (4) tournaments per calendar year beginning January 2019. **(10)** These members will not be entitled to reimbursement for team events. (9)

Effective March 18, 2025, this paragraph is revised as follows:

The positions of Tournament Coordinator, Assistant Tournament Coordinator and Webmaster will serve a probationary period of six (6) months. The probationary period will begin on the date a member assumes the position. The current Tournament Coordinator assumed those position on October 1, 2024. The Assistant Tournament Coordinator assumed the position on March 22, 2025. The Webmaster assumed the position on November 1, 2024. After the six (6) month probationary period, the Tournament Coordinator, Assistant Tournament Coordinator and Webmaster will be entitled to up to four (4) paid tournament entry fees per year. These individuals will not be entitled to Team entry fee reimbursements. (38)

INELIGIBILITY TO BOWL: Any SBCL member in arrears **will not be allowed** to sign up for a SBCL sponsored/participated tournament or as a replacement bowler in the event a member is not able to participate due to an emergency without prior approval of the Executive Board. If a member has signed up for a tournament and their dues are in the arrears, the Board will remove the member from the list and will notify the member and the Tournament Coordinator of the disqualification. When the member satisfies the delinquency, they may sign up for tournaments again.

TEAM ATTIRE: The official club logo colors for **Sassy but Classy Ladies** are “Apple Green and Lavender”. The uniform tournament shirt can be different colors but must include the SBCL logo in Apple Green and Lavender. The Sassy But Classy Ladies logo is a registered Service Mark effective August 16, 2016. (7)

The official tournament shirts will not be altered in any fashion by placing any design, patch, or other means of alteration that revises its original form. Should a member display such alteration on an official tournament shirt, she will be fined twenty-five dollars (\$25.00). (36)

When participating in group activities such as tournaments, coordination of attire will be adhered to. For bowling events, all members must be in the uniform coordinated by the Tournament Coordinator. Members who have been in the Club for a year or more are not to wear another member’s shirt during a tournament. Should a member be found wearing someone else’s shirt, the member will be fined. (13) Each member must purchase a club shirt and any uniform accessories or garment(s).

The first time a member is out of uniform, a \$25 fine will be assessed. The second time a member is out of uniform, a \$25 fine will be assessed and the member will forfeit the next team reimbursement the member is entitled to receive.

A member bowling in a tournament that includes multiple events, if out of uniform, will be fined multiple times, i.e., first event Team (\$25.00 fine), second event Singles/Doubles (\$25.00 fine), for a total fine of \$50.00, unless waived by the Executive Board. (30)

Upon penalization, the member is obligated to pay the fine by the next scheduled monthly meeting. If a member reneges on her obligation to pay the fine by the next scheduled meeting, then she is not in good standings with the club and is disqualified from participating in tournaments until obligations are met; thus forfeiting any tournament fees paid and team reimbursement. If obligations are outstanding for more than three months, then the Board will suspend the member from the club for a period of one year from date of infraction.

REIMBURSEMENT: To be reimbursed for a team event, each member must complete an application for reimbursement and submit it to the Tournament Coordinator immediately following the bowling event. A copy of the reimbursement form and a copy of the recap team event sheet or any other document showing participation in the tournament must be presented to Tournament Coordinator before distribution of any reimbursements. **Lifetime Members will not receive Team Reimbursements. (44).** In the event a member(s) participates in more than one team event in any tournament, the member(s) will receive only one reimbursement per tournament. (1)

If a member has paid for a tournament and is in arrears before the tournament, she is considered to be in arrears. She will be allowed to bowl in the tournament if she has already paid the fees, but will be disqualified from reimbursement of team event fees for that tournament.

USBC SANCTION CARD REIMBURSEMENT:

SBCL will reimburse members for the cost of the USBC sanction card annually. Reimbursement is open to members with at least one year vested (\$20.00 dues per month paid) membership and who are in good financial standing (dues must be current). Gas receipt, endorsed by driver and passenger(s), must be submitted to the SBCL treasurer within ten (10) days after end of specified tournament. **(15).**

BOWLING INCENTIVE: A SBCL member who bowls a scratch series of 550 or above will be eligible to receive the Bowling Incentive of \$50.00 **during the bowling season**, effective September 1, 2022, **excluding bowlers who only bowl in summer leagues.** **(22)** Bowler may qualify for this award up to four (4) times within the specified time period, The recap sheet verifying the series must be submitted to the SBCL treasurer within ten (10) days of the date the series was bowled. **(16)**

A SBCL member with an average up to 160, who bowls a scratch series of 550 or above, will be eligible to receive the award. A SBCL member with an average of 161 or higher, who bowls a scratch series of 625 or above, will be eligible for the award. Should a member's average change during the course of the season, the incentive will be based on the current average and is eligible for the respective scratch series. A member who qualifies under both categories, will only receive the maximum incentives of four (4) per bowling season. **(17)**

RETURNED CHECKS AND BAD DEBT: If a check is returned due to insufficient funds, the member must satisfy her financial obligation within two weeks of being notified. All members are responsible for paying any fees assessed to SBCL and the amount of the returned check. After second offense, check-writing privileges will be revoked for one year. No postdated checks will be accepted.

TERMINATION OF CLUB: Upon agreement of founding members and current officers to terminate, the general membership must be notified within ten days or at the next official membership meeting, whichever is earliest. At that time, the Treasurer must provide the membership a copy of the most recent bank statement and a financial report.

DISBURSEMENT OF FUNDS IN THE EVENT OF CLUB TERMINATION: In the event *Sassy but Classy Ladies* bowling club folds, all funds in the bank account will be distributed to all active members in good standing.

Funds distributed would include all interest earned on balance from monies collected for dues, registration fees, fundraising events and activities, less any outstanding debts and/or fees to bank, etc.

An active member in good standing for this purpose is defined as having membership for at least one year or more. If the club should fold in its first year, all active members in good financial standing will be included in the distribution of all assets less outstanding debts.

DISTRIBUTION PROCESS: All active members in good financial standing who have maintained membership since inception of the club will receive an additional 2 percent of total funds in the account before distribution. After the 2 percent has been distributed to the original members then the remaining funds will be evenly distributed to all other qualifying members.

Allowing for any outstanding debts to be cleared, the bank account should be closed within 30 days. The aforementioned members must be notified of the date, time and place for distribution of funds.

The funds (*in cash*) and a financial statement should be prepared and distributed within 15 days following the account closing date.

A member unavailable at the time of distribution **must** notify the treasurer and founders, in writing, that a representative will be designated to receive their funds.
