

SASSY BUT CLASSY LADIES

HISTORY

Our **mission** is to promote and develop bowling activities, fellowship and fun, and to compete competitively. We participate in local, state, and national bowling tournaments as teams or individual bowlers representing SBCL, as well as sponsor social activities.

We currently have nearly 100 members. Our Club prides itself on support to the community through the Walk-For-The-Cure (Breast Cancer) and our adopted school, Flintstone Elementary.

Dena Spain, Founder

I pondered the thought of starting a ladies bowling club. Well, after discussing some of my thoughts with family and friends, they gave me the nudge to go ahead and try it. I sent out emails to all of the female bowlers that I was associated with asking if they would be interested in joining a ladies bowling club-the responses was unanimous. ***"I couldn't believe it".***

My vision was to participate in bowling tournaments as well as to fellowship, and have fun whenever together. The club started out with approximately 25 members and has grown beyond belief. To date, every member plays an important part in keeping my vision alive.

God was definitely in my corner when I took this step forward. There is no age restriction or bowling qualification to join. If you like "to mix and mingle, travel as a group, and just let your hair down and have some good old fashion fun, then this is the club for you." Just know, wherever we go, we make a statement. There have been interests from women out of state such as New York, Florida, and Atlanta. One member puts a smile on my face when she implies "we're going international".

"Now faith is the substance of things hoped for, the evidence of things not seen" (Hebrews 11:1).

Sheila Wise, Co-Founder

In the beginning it was thought about what could and would happen starting a bowling club with Dena Spain as the Founder and me, (Weezie Wise), as the Co-Founder. Once we got started, the word got out about our Club and things we were doing. We went from a small group of ladies to where we are now. We are not just about bowling, as we fellowship with one another, give back to the community, and have events where family and friends may participate.

It has been a joy and pleasure to be the Co-Founder of the Sassy But Classy Ladies Bowling Club. I am always in awe about the things we do as a Club.

My phrase about our Club is "**And this is how we roll**". So come join us and see how we roll.

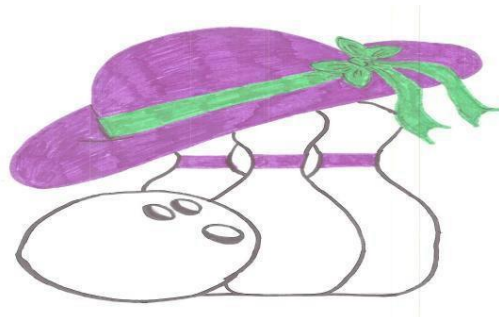

The **first meeting** with potential members, hosted by founder, Dena Spain, and cofounder, Sheila Wise, was held on **July 18, 2009**. Those present were given an overview of the vision of the founder and was presented by-laws for review and/or change and acceptance. After meeting with the potential members, several volunteered to aid “It's A Family Affair Child Care” personnel in hosting a strike-a-thon to raise money for the St. Jude's Research Center.

Also, in the beginning, the original club name was "Divas in Control", but after bowling in a tournament in Fredericksburg, Virginia (Alice tournament), there was another group there with a similar name and Dena Spain, founder, immediately changed the name. In **September 2009, the Sassy But Classy Ladies Bowling Club was created.**

The positions for office were announced and nominations made. At the August meeting, nominees were presented and voted for office. In September 2009, the following ladies were installed as the first officers of the Sassy But Classy Ladies Bowling Club for the term 2009 -2011:

President – Renee Davis
Vice President – Deborah Johnson
Secretary – Melissa Cromartie
Treasurer – Angela Poe
Sergeant at Arms – Morganna Gleaton

The members voted that our club colors would be apple green and lavender. From there, the club proceeded to prepare for our first official bowling tournament with club shirts. First, Morganna Gleaton developed a logo for the shirts. After some tweeking, our **club logo** was born:

Sassy But Classy Ladies participated in the **65th** NCAUSBCA Women's City as the **first official SBCL bowling tournament** in Chantilly, Virginia on March 20-21, 2010.

We continued to support Breast Cancer Awareness by bowling in the **Bowl-for-the-Cure** fundraising event.

SBCL formed its **first bowling league as a summer trios league in May 2012** at the Marlow Heights Bowling Center on Tuesday evenings. Initially the league was limited to members of the SBCL bowling club, but later extended to other ladies who are not members of the Club. Only members of SBCL are allowed to become officers of the league. The first officers were:

- Vice-President – Morganna Gleaton
- Treasurer – Dena Spain

The club extended its **community service by adopting a Title I** (Title I is a federally funded program reauthorized by the No Child Left Behind Act of 2001) **school, Flintstone Elementary, in 2012.**

Following her participation in the recent NCAUSBCA 71st Annual Women's Championship Tournament at Potomac Lanes, Lomax disclosed some of her favorites with editor Bob Cosgrove.

Having received much attention with **our club shirts and logo**, the club determined it was time to invest in hiring an attorney to register our logo with the United States (US) Patent and Trademark Office. This will ensure no other bowling club can use our logo on their shirts. If so, having the logo registered gives us the opportunity to file for infringement on our trademark should another club try to use our logo. Our logo was approved as a **Service Mark** (being SBCL is a service organization) by the US Patent and Trademark Office on August 16, 2016.

The year 2020 started as any other – nothing eventful. Then in mid-March, we found ourselves in the middle of a pandemic called the Coronavirus (referred to as COVID-19) that not only hit our country, but the world. Thousands of people contracted the virus and many lost their life to the virus. People were stunned! Our normal world was no longer normal!

Nobody really knew what caused the virus (especially being worldwide), there was no immediate cure, and it seemed far in the future before a vaccine would be developed to offset the virus that was running rampant. Everyone was quarantined and panic set in. Businesses shut down, jobs were on hold, church doors closed, bowling centers were forced to close also. Nobody could predict what tomorrow would bring. Family members and friends were becoming sick, but you could not assist for fear you would also become a victim.

As a result of the events taking place, the Board of Directors made a decision to forego all activities of the Club. The Club would no longer hold in-person meetings or require members to pay monthly dues. Since the bowling centers were closed, of course, there were no bowling tournaments or bowling league activities. Our bowling world came to a complete halt!

In September, a ZOOM meeting was held to check on members since we were no longer in contact through our various activities. We were thankful for the technology that allowed us to see other members' faces, and to talk and catch up on each other.

The Board decided to postpone until further notice any Club activities. Development of a vaccine allowed people to be vaccinated and begin to return to "normal". As a result, the Board determined the Club could be reactivated by the 2021-2022 bowling season.

****Officers were to be elected in 2021; however, the pandemic precluded the Club from holding this event. The Executive Board continued to serve during the pandemic and when SBCL reactivated in August 2022. Election of officers was postponed until 2023. A call for nominations and election will occur in August 2023. Officers will be installed September 2023.**

On December 17, 2022, the Club celebrated the holidays, the first major event since reactivating the Club after COVID-19.

At the January Meeting 2023, Shaquanda Goss volunteered to become the new Events Coordinator.

Officers were installed by Founder, Dena Spain, September 9, 2023 as follows:
